

Viomi Announces US\$10 Million Share Repurchase Plan

March 26, 2020

GUANGZHOU, China, March 26, 2020 (GLOBE NEWSWIRE) -- Viomi Technology Co., Ltd (“Viomi” or the “Company”) (NASDAQ: VIOT), a leading IoT @ Home technology company in China, today announced that the Company’s Board of Directors had approved a share repurchase program whereby the Company is authorized to repurchase up to US\$10 million worth of its Class A ordinary shares in the form of American depository shares over the next twelve-month period.

Mr. Xiaoping Chen, Founder, Chairman of the Board of Directors and Chief Executive Officer of Viomi, said, “the Company’s share repurchase program reflects our confidence in our business outlook and demonstrates our commitment to maximizing long-term shareholder value. Our healthy balance sheet and strong cash-flow generating ability provide us with ample flexibility to effectively implement the share repurchase program while continuing to execute our growth strategies.”

The proposed share repurchase may be effected on the open market at prevailing market prices and/or in negotiated transactions off the market from time to time, depending on a number of factors, including, but not limited to, share price, trading volume and general market conditions, along with the Company’s working capital requirements, general business conditions and other factors as market conditions warrant in accordance with applicable requirements of Rule 10b5-1 and/or Rule 10b-18 under the U.S. Securities Exchange Act of 1934, as amended. The Company expects to fund the repurchase out of its existing cash balance.

About Viomi Technology

Viomi’s mission is to redefine the future home via the concept of IoT @ Home.

Viomi has developed a unique IoT @ Home platform consisting an ecosystem of innovative IoT-enabled smart home products, together with a suite of complementary consumable products and value-added businesses. This platform provides an attractive entry point into the consumer home, enabling consumers to intelligently interact with a broad portfolio of IoT products in an intuitive and human-like manner to make daily life more convenient, efficient and enjoyable, while allowing Viomi to grow its household user base and capture various additional scenario-driven consumption events in the home environment.

Safe Harbor Statement

This announcement contains forward-looking statements. These statements are made under the “safe harbor” provisions of the U.S. Private Securities Litigation Reform Act of 1995. These forward-looking statements can be identified by terminology such as “will,” “expects,” “anticipates,” “future,” “intends,” “plans,” “believes,” “estimates,” “confident” and similar statements. Among other things, the business outlook and quotations from management in this announcement, as well as Viomi’s strategic and operational plans, contain forward-looking statements. Viomi may also make written or oral forward-looking statements in its periodic reports to the United States Securities and Exchange Commission (the “SEC”), in its annual report to shareholders, in press releases and other written materials and in oral statements made by its officers, directors or employees to third parties. Statements that are not historical facts, including statements about the Company’s beliefs and expectations, are forward-looking statements. Forward-looking statements involve inherent risks and uncertainties. A number of factors could cause actual results to differ materially from those contained in any forward-looking statement, including but not limited to the following: the Company’s growth strategies; the cooperation with Xiaomi, the recognition of the Company’s brand; trends and competition in global IoT-enabled smart home market; development and commercialization of new products, services and technologies; governmental policies relating to the Company’s industry and general economic conditions in China and around the globe, and assumptions underlying or related to any of the foregoing. Further information regarding these and other risks is included in the Company’s filings with the SEC. All information provided in this press release and in the attachments is as of the date of this press release, and the Company undertakes no obligation to update any forward-looking statement, except as required under applicable law.
