<https://register-conf.media-server.com/register/BI0c8f62d3a4804d04b0015510ab07d952>

Upon registration, each participant will receive details for the conference call, including dial-in numbers, and a unique access PIN. To join the conference, please dial the provided number, enter your PIN, and you will join the conference.

Additionally, a live and archived webcast of the conference call will be available on the Company’s investor relations website at <http://ir.viomi.com>. An archived replay will remain available for 12 months following the live session.

### About Viomi Technology

Viomi’s mission is “AI for Better water,” utilizing AI technology to provide better drinking water solutions for households worldwide.

As an industry-leading technology company in home water solutions, Viomi has developed a distinctive “Equipment + Consumables” business model. By leveraging its expertise in AI technology, intelligent hardware and software development, the Company simplifies filter replacement and enhances water quality monitoring, thereby increasing the filter replacement rate. Its continuous technological innovations extend filter lifespan and lower user costs, promoting the adoption of water purifiers and supporting a healthy lifestyle while effectively addressing the rising global demand for cleaner, fresher and healthier drinking water. The Company operates a world-leading “Water Purifier Gigafactory” with an integrated industrial chain that boasts optimal efficiency and facilitates continuous breakthroughs in water purification. This state-of-the-art facility enables Viomi to achieve economies of scale and accelerate the global popularization of residential water filtration.
